

DANIEL ROSENBLATT

Hey Dan,

It's been pretty all right in Calculus this year with Holley. McMillan has been a different story, but basically this has been a good year. Maybe you'll find a better time in Revell (Muir?) next year. It's been the toughest year by far (pushing three Barget and putting up with Gibson), but it has been OK. I'm sure I'll see you later, so I won't write a whole page here. See you later.

Daniel:
Don't be desperate
about anything - spill
ya guts! Charlie

Scott Rieker

Dan,
I wish you many good and
joyful times in the future. Keep
running; it can often make one feel
better. I'll miss you when I leave.
I wish that you will find many
friends in the future. Your friend.
Francis

Dan,

I must admit, this year in German

DEDICATED to Mrs. GRIZZLE

Always behind the scenes, working long and diligent hours, Mrs. Grizzle is one of the warmest and most sincere people on this campus. She retires this year, leaving behind many wonderful contributions to our school and La Jolla. As teacher, counselor and Girl's Vice-Principal, she has had personal contact with thousands of kids. Her outside activities are many and varied. As president of the La Jolla chapter of A.F.S., president of the Soroptimist Club, and active in Town Council, she has continually given of her enthusiasm and service. Next year, Mrs. Grizzle has travel in her plans. This yearbook is dedicated to her with much appreciation and wishes for lasting happiness.

Let's turn the magic mirror around and see what we have over here. Just about all you learned from chapter one was how to spell GEOMETRY. 30-60-90 are gonna be hittin' ya for the rest of the semester and don't say I needed that. Your proof resembles a wild guessing game. Now if you wish to sit in your ditty box and have spring fever . . . I'll throw another wrinkle at you.

Varsity Cheerleaders

1972-73 was a year of bigger and better things for La Jolla Varsity Cheerleaders. This year's squad, featuring six girls and three boys, climaxed a summer of hard practice with a session at Hibbard's California Clinic of Champions. After an unforgettable week, the group was ready to start the season with a great new style. Under the direction of head cheerleader Jane Arthur, the Varsity Cheerleaders brought a new kind of spirit to La Jolla fans. Is it only a coincidence that this was one of the best years for sports in recent Viking history?

Varsity Football

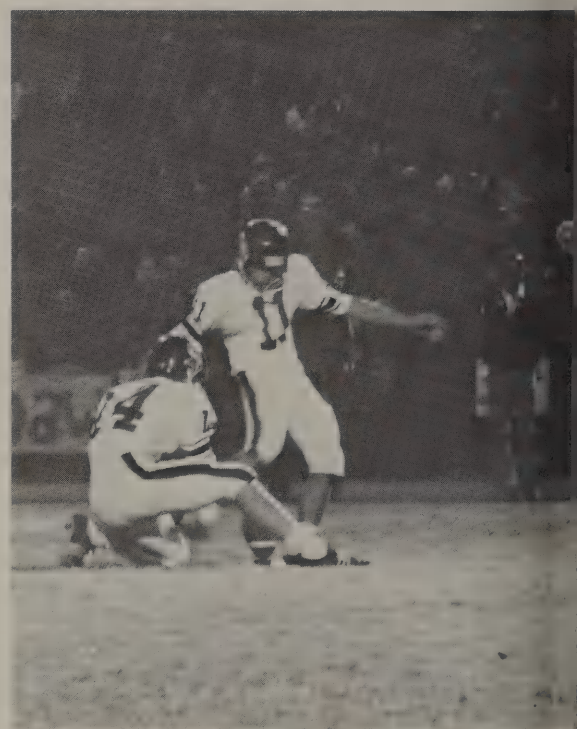

The saying went "The Vikes are Dynamite" and they proved to be as the 1972 Varsity Football team finished second in their last year of Western League play. Having beaten the tough powers of Point Loma, Clairemont, University and Mission Bay, the team just missed a C.I.F. playoff berth. Often outmanned and outsized, the Vikings showed everyone that they could play equally with any team. Led by quarterback Don Gravette and tailback Pete Taylor, the Viking offense penetrated continually into enemy territory. The soccer-style kicking of Rolf Benirschke also proved to be a great asset to the offense. Dependable Kent MacDiarmid anchored both the offensive and defensive lines while getting consistent help from Rick Berg, Cole Francis, Kelly Walsh, Brian Schulte, John Cummings and Dennis Burtraw. For head coach Gene Edwards and assistant Bull Trometter, this season was a rewarding and successful one.

J.V. Cheerleaders

Led by Pat Sheela, these two juniors and four sophomores showed the great Viking Spirit throughout the year. They brought new pep to J.V. sports from football to track.

J.V. football

A disappointing season for the Viking Junior Varsity football team was climaxed by their 6-0 loss to Mission Bay. Although not winning any games the team showed perserverance and should help in occupying many of the empty varsity positions next year. An early injury to the starting quarterback put the pressure on Robbie Jones who did an excellent job filling in.

Cross Country

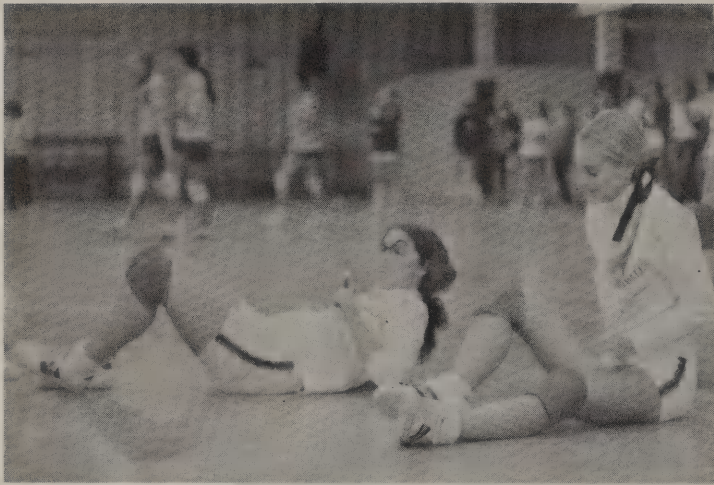

Completing their most successful season in over a decade, La Jolla High's Varsity Cross Country team won seven of their nine dual meets. Led by Dan Carlsson, Jan Johansson, Phil Sasso, Gabriel Olivares, Eric Larson and Dan Rosenblatt, the Viking harriers breezed past Lincoln, Castle Park, Mission Bay, Hoover, Point Loma, University, and Kearny. The highlight of the season for the runners was bringing home the first place trophy from the fifth Aztec Invitational Cross Country Meet. The Vikings finished the three mile course with a team time which was thirty seconds faster than their nearest competitor. Carlsson, Johansson and Sasso finished second, fourth, and sixth respectively out of a field of more than sixty runners.

Sac Invitational meet; upper center, Dan Carlsson runs away from his competition; upper right, J.V. harriers Eugene Erzinger and Bruce Merz take a rest after running well on the U.C.S.D. course; lower center, Jan Johansson warms up before an important race; lower right, Viking runners Eric Larson, Phil Sasso, and Dan Rosenblatt show their form.

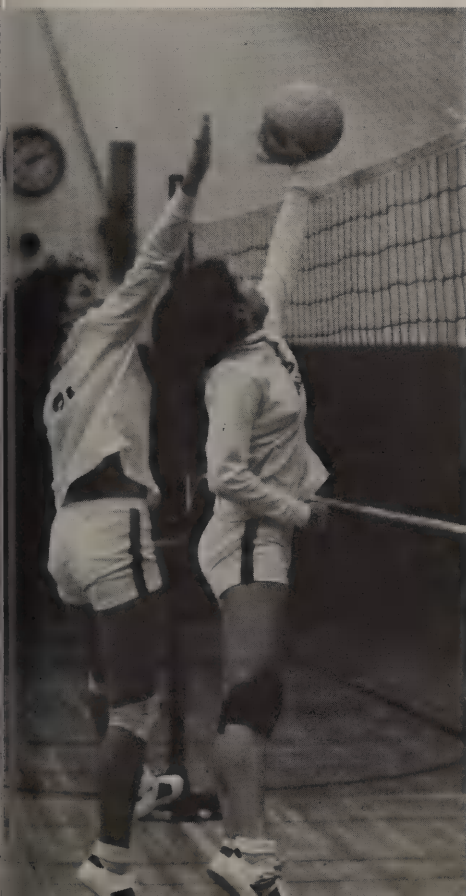

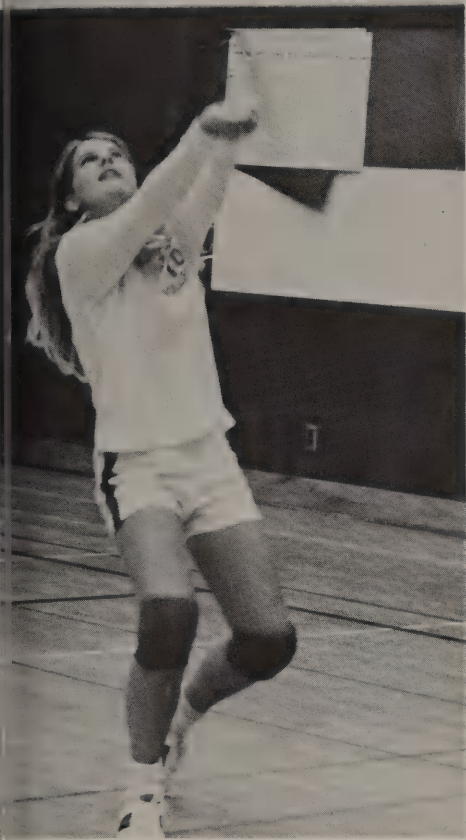

Volleyball

Hard practice paid off this year for the Volleyball Team, but not as much as they would have liked. The Varsity Team won three of their five league games after strenuous preparation under their coach, Ms. Dunn. Team captain, Dale Cheever, and co-captain, Mary Vogt, led this fighting team through the season. At the right, Ms. Dunn and faithful team manager, Stacy Holzman, study a practice session. Below, Dale Cheever and Helen "Hardrock" Holbrooke show their form.

The Junior Varsity Volleyball Team had a successful season under the leadership of captain Janey Otto and co-captain Kristi Johnston. The team finished second in Western League and competed in the CIF finals. Volleyball was not the only activity of both the Junior Varsity and the Varsity. These two close-knit groups let off steam at several get-togethers. At left, Mary Vogt bumps the ball, as Jane Adlong looks on. Below, a spike by Janey Otto is watched by Kristi Johnston. Girls' Swimming

1972 was a big year for the girls' swimming team. In preparation for the city finals, they won all five of their dual meets. After taking second in the city, the girls went on to take fifth place among 20 county schools. The C team captured eighth place, aided by Cindy Nagy, Debbie Nagy, Mary Cherry, and Lori Laskowski. The B team, with outstanding swimmers Laura Parks, Cindy Weigle, and Lorraine Froeb, took fifth place in the county. The A team took first place in the county. The gold medal winners pictured at the right are, left to right, kneeling, Anne Gibson, Jan Bl ndinger, and Liz Thiele. Standing are Paula Smith, Laurel Erzinger, and Susanne Kibak. Girls' Tennis

The girls' tennis team carried on the La Jolla tennis tradition this year in grand style. The girls became the undefeated city champions in round-robin competition with eleven Eastern and Western League schools. Outstanding singles players included Robin Harris, Laura Gilbert, Wendy Ghio, and Sharon Reeves. Contributing to the doubles strength were Wendy Stanley and Darcy Delano, Sally Plachta and Alwine Loeffler, Cindy Coleman and Joanne Fletcher, Kathy Russell, Ann Van Buskirk, and Bonnie Read. The team wound up an enjoyable year with a lasagne dinner and victory party. Top left, Sally Plachta serves; top right, Kathy Russell and Ann Van Buskirk in concentration.

Varsity Basketball

This year's Varsity Basketball Team looked strong as four of last year's starters returned. They proved to be just that when they competed in the annual Christmas tournaments. The team was thought to be too small, but with balanced scoring and great hustle the Vikings showed that their lack of height would not hurt them. In the Kiwanis Tournament, La Jolla placed second, losing the championship game in the final moments. Led by Geoff Northrop and Tony Russell, who were both picked to the Kiwanis all-star team, the Vikes continued on to the Baron Optimist Tournament. There they finished fourth just behind the county's top teams, Patrick Henry and Helix. With these strong showings and a 9-5 non-league record, hopes continued to rise. The team's impressive start earned them a ranking of fourth in the county as they moved into the race for the Western League title.

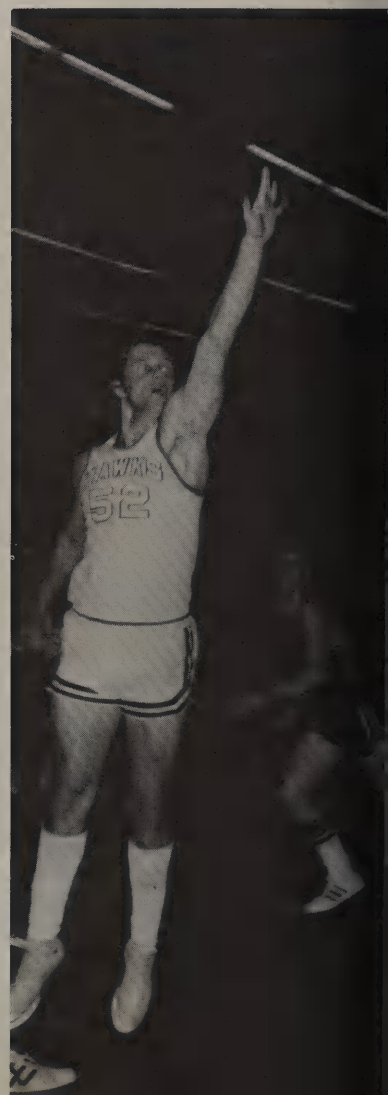

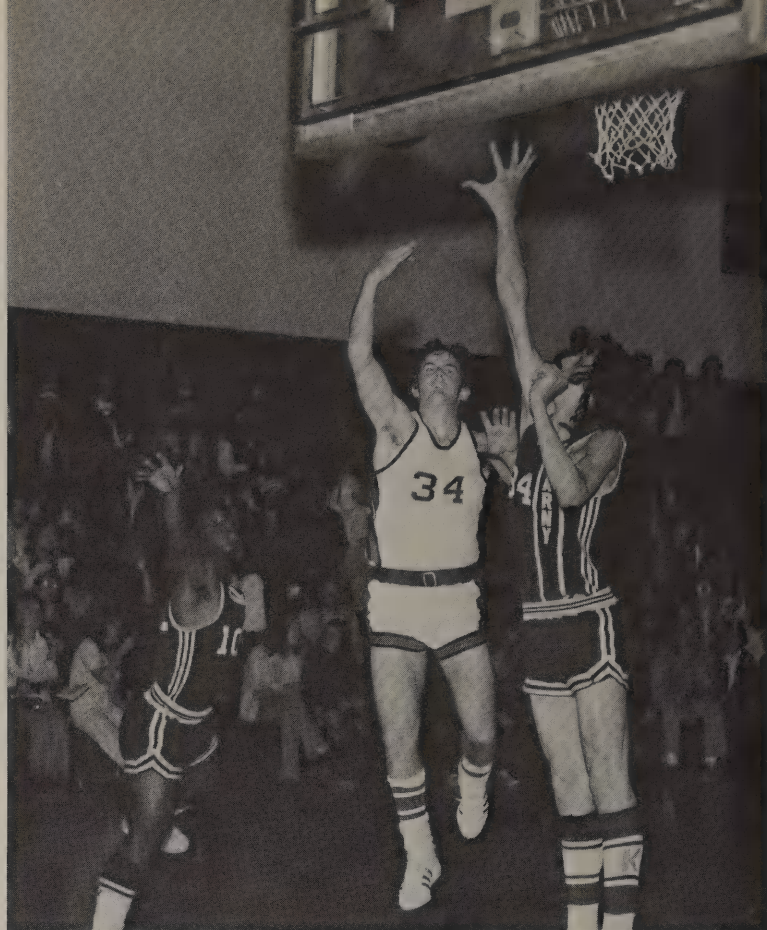

Upper; Rob Schupp gets clobbered as he drives in for a lay-up, Lower; Jeff Haskett squeezes between two Kearny defenders and draws a foul.

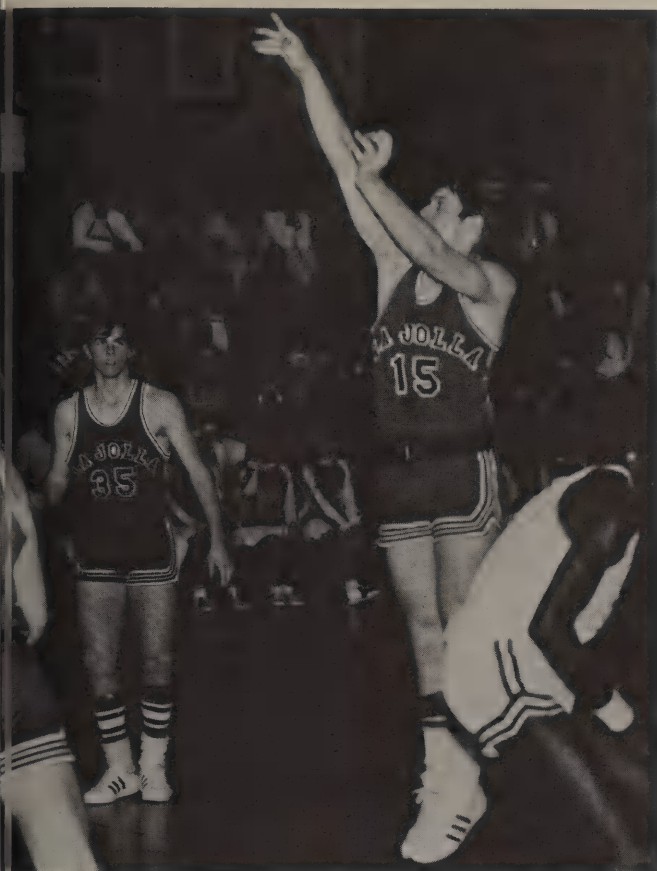

As league play began, the team continued its winning ways with a big upset victory over Kearny. This win put the Vikes in a three-way tie for first place and a good chance to go to the C.I.F. play-offs. In a mid-season slump, however, which saw the team lose three straight games, they dropped to fourth place in the standings. Fighting back with victories over Clairemont, Point Loma, Mission Bay and Crawford, the Vikings again moved into contention for a play-off berth. Throughout the season the team was led by Jeff Haskett, Geoff Northrop and Tony Russell. These three players all finished in the top ten league scorers and carried La Jolla to its fine record. Haskett's superior driving and ball handling ability, Russell's fine outside shooting and Northrop's all around excellence were supported by John Brand, Don Gravette and Rob Schupp. Scoring clutch points and playing stingy defense throughout the season, these players balanced La Jolla's basketball team and contributed to many of its wins. Credit must also be given to the other members on the team without whom a C.I.F. play-off spot, and a victory over Marian leading to quarterfinals in the Sports Arena, could not have been won.

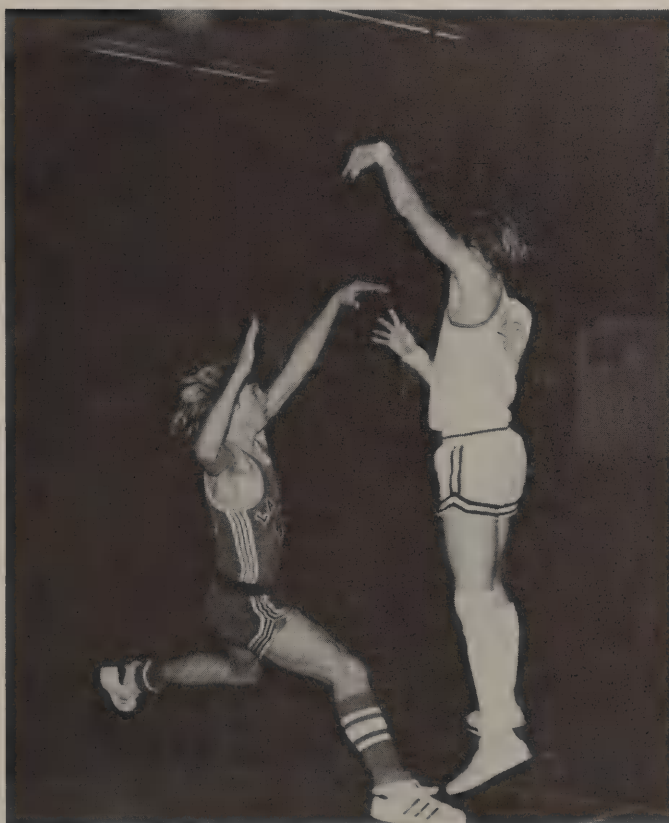

Upper, High-scoring Tony Russell shoots over a Morse defender for two points; lower, La Jolla's outstanding center, Geoff Northrop, easily gets the tip from Madison's heralded Rock Lee.

J.V. Basketball

For the young and inexperienced Junior Varsity basketball team the season proved to be very successful. They matured with each game under Coach Davis and pulled out many close contests. Led by Jamie Loomis and Jim Kerman, the junior Vikes ended the season with a very fine record. Continually praised by both the fans and the coaches, many individuals should move up and help out the varsity next year in its Coast League debut.

Meet in her aspect and her eyes:
Thus mellowed to that tender light

Varsity Soccer

With a host of underclass talent and a sprinkling of experienced players, the Varsity Soccer Team placed third in a tough Western League and fifth in the county standings. They trailed county champions, Point Loma and Madison despite winning sixteen games and losing only six. Hampered early in the season by the loss of star fullback, Bob Humphrey with torn ligaments, and Gabriel Olivares with a broken foot towards the end of the schedule, the Vikes were still able to display poise and to play good soccer. They dominated the rest of the league despite their losses to Point Loma and Madison with winning streaks of four or more games. Things got even brighter after league play ended, when the team was invited to play in two big tournaments; the PSA tournament and the United States National tournament. Standing out all season were Rolf Benirschke, Jerry Clark, Jeff McCoy, Rafael Mecina, Gabriel Olivares, and David and Doug Youngdale. Chances for the C.I.F. crown will indeed favor the Vikings next year, since there will be a mature group of Varsity players returning and many capable individuals moving up from the Junior Varsity squad.

J.V. Soccer

Making the C.I.F. playoffs in their first year of organized competition, the Junior Viking soccer team performed well all year long. Their 1-0 victory over Point Loma late in the season enabled the team to meet Montgomery in the Championship game and was a fitting conclusion to a tough schedule. The group was made up predominantly of sophomores and was led by Jim Killion, Kurt Wagner and Hunt Williams.

Wrestling

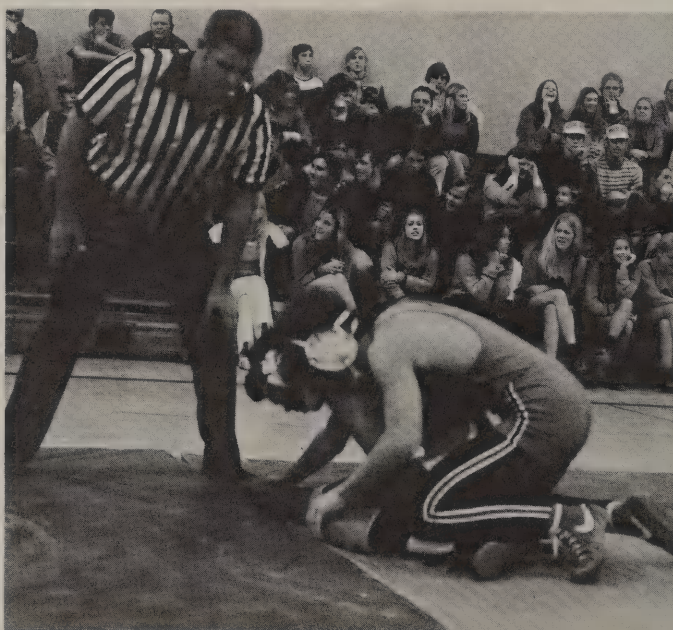

With the return of many experienced individuals and a sprinkling of new talent, the 1972-73 Varsity wrestling team was the toughest La Jolla High had seen in many years. Standouts throughout the season were Ed Johnson, Todd Moran, Hans Newman, Brian Schulte and Bruce Weisman. The team was also helped by fine instructing from coaches Smith and Edwards who spent much time developing the group into a strong contender in virtually all the meets they entered. Although the Vikes wrestled the first part of the season without a man to fill the 103 lb weight class, they still managed to score high consistently against their opponents. Towards the middle of the season, Ciarco Poscablo joined the team and did an excellent job wrestling in the empty class. Concluding a very successful season, the Varsity wrestling team was amply rewarded for all of the practice and hardship yielded by each member. They placed several individuals high in the Western League tournament and challenged most of their rivals.

Swimming

The La Jolla High Swim Team took its second consecutive League Championship this year with a showing equally as strong as last years undefeated season. The swimmers largely responsible for the team's fine record were junior Skip Slade, who is one of the fastest swimmers in San Diego County, senior Dan Graifer, and sophomores Mike Foley and Bill Seligmann. Add to these athletes the depth of John Cummings, Peter Kerman, John Hagey and Mike Arno and La Jolla had its finest swim team ever. The County Finals proved to be the first tough test for the young team, and with the experience they gained, La Jolla should do extremely well next year.

Gymnastics

New faces and fresh interest characterized the beginning gymnastics team this year. Team returnees Margo McCoull, on the balance beam, and Betsy Smothers, on the uneven bars, were joined by a large group of sophomores and juniors, inexperienced but hard - working. At right, Katherine Gealy exhibits her promising floor - exercise style. Below, right, Margo McCoull poses on the balance beam.

Middle Row, Lynn Basquez, Sue Pratt, Robin McNair, Lori Laskowski, Stephanie Mayer, and Karen MacEwan. Front row, Marci Greenwood, Kathy Wrench, Linda Chase, Kathy Stevens, and Margo McCoull.

A small intermediate team showed its strength this year by threatening even the strongest city and county schools. Sophomores Terri Bailey and Kathy Foster were valuable additions to the team, competing in the all-around event. The intermediate team, pictured at left, includes, left to right, Kathy Foster, Stacy Baldwin, Jill Ducein, Carol Nau, and Terri Bailey. On the team's new vaulting board are Julia Gittes, standing, and Cindy Winroe, sitting.

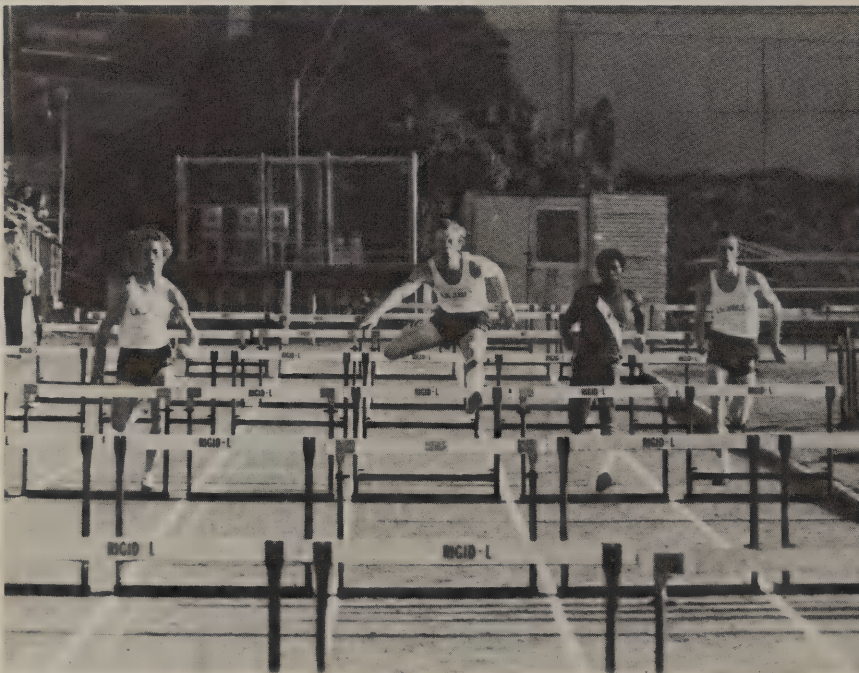

A new addition to La Jolla gymnastics this year was the advanced team. These five girls gave some of the county's best performances of extremely difficult advanced routines. The team, pictured at left, includes, left to right, Linda Stark, a stand-out on the balance beam, Laura Sim, featured on the uneven parallel bars, Marian "Olga" Eder and Jane Arthur, specializing in floor-exercise, and limber Kristi Johnston, in front, another floor-exercise competitor. Below, right, Kathy Foster is shown in competition.

Track

As in all the sports this year, the Varsity Track Team was blessed with talented athletes. David Cordtz, who was perhaps the finest all-around runner, proved his ability by competing in the high jump, long jump, both hurdle events and the discus. The hurdles were Cordtz's best events, and when he teamed-up with Kelly Walsh, La Jolla had its best pair of hurdlers seen in a long time. Bob Barkley and Mike Nova also helped this year in the sprints by running the 100 and 220 and many relays. In the field events, La Jolla was led by strong high jumpers, pole vaulters and long jumpers. Brad Lee and Tom Reed were the two most capable long jumpers. The pole vaulting pair of Olaf Moen and Lon Bevers reached new heights for La Jolla as Moen broke the school record. Jim Geddes and Walter Miller were regular performers in the high jump with Geddes consistently jumping over six feet. The Viking middle distance runners showed even stronger abilities as they were unequaled throughout the league. Leading this excellent group of runners were Dan Carlsson, who is one of the fastest milers in the county, Steve Elias, Jan Johansson, Dick Peterson, Phil Sasso and Curt Stephenson. Individually each of these runners ran very well, but when they were put together on relay teams they became unbeatable. They proved their superiority at the National City Relays by winning 25 gold medals and the team championship.

Top, Curt Stephenson runs the third leg on La Jolla's excellent mile-relay team; lower left, showing their styles in the low hurdles are from left to right, Brad Lee, Kelly Walsh and Walter Miller; lower right, Olaf Moen sets a new school record in the pole vault.

Dan,
It has been so much fun knowing you. To work out with you at the field and our talks, it hasn't been many but the few was really neat. There has been a lot of changes in my life but ~~just~~ to the better. I wish you good luck in your life. Love

Varsity Baseball

Winning was a specialty this year for La Jolla High sports. The individual teams compiled more wins than any other single season in the history of La Jolla High athletics. Each sport was abundant with talented individuals with the Varsity Baseball Team being no exception. Andy Bertrem, Dennis Burtraw, Tony Russell and George Townsend led this fine group of players into what was one of La Jolla's best seasons in recent years. The Vikings were plagued with poor fielding early in the season, but with strong pitching and consistent hitting the team fought back and developed into a contender for the League's top positions. Andy Bertrem led the pitching staff and often did not allow a single earned run in a game. He was helped out by Mark Farrar and Tom Watson who did excellent jobs both as starting and relieving pitchers. The potent bats of Dennis Burtraw, Kelvin Nettleton and George Townsend accounted for most of La Jolla's scoring power though each member of the team was capable of hitting the ball. With the end of a very respectable season, the team looks forward to next year and the return of most of its starters.

J.V. Baseball

The Junior Varsity Baseball Team improved with every game this year and ended the season with a respectable record. Several players alternated with the Varsity and should help fill many vacant positions next year.

Golf

La Jolla's Golf Team was disappointed by a slow start this season but proved to have many highly talented individuals. Leading the colorful team were Joe Flood, Robert Hartman, Dave Staggs and Randy Thorsch.

tennis

Repeating their performances of the last two seasons, La Jolla's Tennis Team once again met little opposition from other C.I.F. teams. Mission Bay, Grossmont and Patrick Henry offered the strongest competition the Viking netmen faced but never seriously challenged La Jolla's superior team. Behind the outstanding play of Denny Bond, Dana Caledonia, Ted Hagey, Moore Huffman, Gonzalo Nunez and Ted Williams, La Jolla's Tennis Team captured the Western League title and the C.I.F. crown for the fourth year in a row. They competed in the Ojai Valley Tournament where they have won the Griggs Interscholastic Trophy for the last three years and in the Dudley Cup. Because of how well the team played in both these tournaments, they were challenged by several major college tennis powers including University of California at Santa Barbara, University of San Diego, San Diego City College and several Pacific Eight colleges.

Badminton

Continuing La Jolla's excellence in girls' sports, the energetic and powerful badminton team excelled in competition. Coach Mrs. Skinner, fashion director; Mary Vogt, number one singles player; and Ann Delaney and Leslie Mack, number one doubles team, led the impressive squad onto the courts.

Top left, Jane Otto, number two singles player, stretches into a backhand shot; top right, Leslie Mack and Ann Delaney move into position for the returning birdie.

Girls' Soccer and Softball

The girls' soccer team bravely fought nonexistence this year, strongly pushing soccer in the face of sometimes apathetic opposition. Captain Karin Smith united this team that featured high-scorer Ingrid Benirschke and Karel Carnohan.

I had always been awed
 by you (from afar) because of
 your fantastic mind - now I see
 that you're also a really great
 person! Have a really fantastic
 life - I'm sure your experiences
 in chorus will come in handy.

Love

Julie Chatelain

(Even though you are going
 to be "college" now, let's keep in touch)

Dan,

I've liked being with you
 in chorus although I
 really don't know ~~if~~
 you very well - Good
 luck in whatever you
 do in the future and
 keep happy - you deserve
 it.

Love,

Anne Gray

Dan,

It's always a pleasure

As long as you keep searching
for Him, he'll keep the door

May your next years, days,

Dan:
Cheer up! Hang loose!
Let yourself go! be free!
If you were a little looser, you'd
be happier. Heed the advice

you next year, but I guess
I won't. Luck and love in life!

"May each day of your life
seem to be the best day ever—
until the next one."

Dear David,
It has been a pleasant 5 years of knowing you. (My 8th, 9th, 10th, 12th). Although you skipped a grade and are now graduating ahead of me, I still wish you luck in the world ahead. I can remember when you almost broke handball court because I was beating you, by the way, how many pairs of glasses did you break. I've been a long time and I am sorry that you won't be here next year. Whenever people tell you, you should realize that this is a good High School, whatever its faults and shortcomings. You may not realize this now, but I am sure that you will someday, a day that I hope will not be too late. Keep reading a science fiction, it has the key to the future. Good luck, I'll be around. With true affection,
Jim Newman

Dan -
wishes happiness in
your
future

sometime. Have
a great summer.
Carol

Well, Dan, you are an extremely interesting person, and I wish that I had your math classes so I could really probe your mind, vice-versa. Hope-country was a mutual hell, and let's never have as bad a time in the future. I wish you luck in your respective utopia, maybe not on earth but wherever and maybe I will see you sometime in the future.

Danny - Wasn't cross-country and track
hellish? Don't let all that damn work
go down the drain. I'll see you next
year on the cross-country course! You
always gave school a little added flavor.
Take it easy at the university. Really.
Enjoy yourself this summer. Freshman
year is usually a grind. Later...

Dan,
Smile a bit more,
open ~~your~~ your eyes,
THEN complain.
Good luck. Good life.
